

ST LEONARD'S

CATHOLIC SCHOOL

SIXTH FORM ADMISSIONS POLICY

for September 2019 entry

St Leonard's Catholic School is a voluntary aided Roman Catholic comprehensive school in the trusteeship of the Diocese of Hexham and Newcastle. It is part of the provision of Catholic education in this diocese. The school exists to provide a Catholic education for children of the Catholic community. Once it has met its historic and current obligations to children of the Catholic community, St Leonard's welcomes those who support the distinctive religious ethos of the school.

Pupils in Year 11 at St Leonard's are eligible for a place in the Sixth Form if they meet Sixth Form entry requirements. The Sixth Form welcomes applications from other students. All applicants must complete the Sixth Form application form and will be invited to meet Sixth Form staff to establish whether St Leonard's is able to offer an appropriate course of study for the individual. This meeting will be arranged following receipt of formal applications and will take place after the GCSE examinations.

I. ENTRY REQUIREMENTS

Any student failing to achieve at least a grade C in GCSE English and/or Mathematics will be required to undertake a re-sit course in Year 12.

- (iv) If the entry requirements have not been met due to an exceptional social, medical or pastoral need of the child the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

The evidence will need to demonstrate why a place specifically at St Leonard's Sixth Form, or on a specific course, is in the student's best interest. The Governors will consider the evidence submitted to them, also taking into consideration the ability of the school to meet the individual's need. On the basis of the case presented to them, the Governors will decide whether or not the pupil is eligible for admission.

2. OVERSUBSCRIPTION CRITERIA

Students with an Education, Health and Care plan or a statement of Special Educational

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Students with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other students.

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority to external applicants who meet entry requirements:

- i. Catholic looked after and previously looked after students
- ii. Catholic students
- iii. Other looked after and previously looked after students
- iv. Catechumens and members of an Eastern Christian Church

- v. Students who will have a sibling at St Leonard's during the academic year 2019
- vi. Other external applicants

Tie breaker: Where there are places available for some, but not all applicants within a particular criterion, distance from home address to the school entrance will be the deciding factor. In assessing home to school distance the LA measures by the shortest walking route. Routes are measured from the centre point* of the child's house, or in the case of a flat from the centre point* of the building, to the nearest school site entrance. A Geographic Information System (GIS) is used to identify and measure the shortest walking route. The GIS identifies routes on the Ordnance Survey Integrated Transport Network (ITN) and Urban Paths Network (UPN), which are national recognised datasets. The LA will not include any other routes. In all cases the GIS identifies the route to be measured by connecting in a straight line the centre point³ of the child's house to the closest point on the nearest route on the ITN/UPN. In the event of distances being the equal for two or more students where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a student. An **Education, Health and Care Plan** is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a student.

2. A looked after student has the same meaning as in section 22(1) of the Children Act 1989, and means any student who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. students with foster parents) at the time of making application to the school.

A previously looked after student is a student who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

3. Catholic means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the

full communion of the Catholic Church. For the purposes of this policy, it includes a looked after student who is part of a Catholic family where a letter from a priest demonstrates that the student would have been baptised or received if it were not for their status as a looked after student (e.g. a looked after student in the process of adoption by a Catholic family).

For a student to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their parish priest who, after consulting with the diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. Catechumen means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the student on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. Eastern Christian Church includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

8. Home address is the primary parental address which will be used in applying the admission criteria. This means that, when stating the choice of school, the parental address at the time of application should be given. The address of childminders or other family members who may share in the care of the student must not be used as the home address. Documentary evidence may be requested.

9. Sibling includes:

(i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and

(ii) the student of a parent's partner where that student lives for at least part of the week in the same family unit at the same address as the applicant.

10. A parent means all natural parents, any person who is not a parent but has parental responsibility for a student, and any person who has care of a student (having care of a student means that the student lives with and is looked after by that person).

3. OPEN EVENING

The annual Sixth Form Opening Evening gives both internal and external students the opportunity to discover more about the Sixth Form. The evening for 2019 applications is due to take place in October 2018. This evening is comprised of a short introductory presentation from the Head Teacher, and the Head of Year (Sixth Form) as well as an opportunity to meet departmental staff.

4. APPLICATION PROCESS

The formal application process begins following the Sixth Form Open Evening.

Each individual case will be considered by the Deputy Head Teacher in consultation with the Head Teacher. No application submitted after the submission deadline (Friday 9th November 2018) can be guaranteed a place in Year 12 for that year of application.

(v) Admission of Students outside their Normal Age Group

A request may be made for a student to be admitted outside of their normal age group, for example, if the student is 'More Able' or has experienced problems such as ill health.

Any such request should be made in writing to the Head Teacher. The Governing Body will make its decision about the request based on the circumstances of each case and in the best interests of the student. In addition to taking into account the views of the Head Teacher who has statutory responsibility for the internal organisation, management and control of the school. The Governing Body will take into account the views of the parents and of appropriate medical and education professionals. Students admitted to the Sixth Form outside of their normal age group are required to meet the relevant entry requirements for their proposed programme of study.

(vi) Fair Access Protocol

The school is committed to taking its fair share of students who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a student where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the student would mean exceeding the published admission number.

(vii) Waiting List

For any student who has been refused admission due to oversubscription in the Sixth Form or on a particular course, a waiting list is available until 31 December 2019 where priority will be given according to the above criteria based on the information provided at the time of application.

Further enquiries should be directed to the Deputy Head Teacher. A Sixth Form prospectus is available.

Students who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

(viii) Course changes are only permitted at the discretion of the Head of Year in consultation with the Deputy Head Teacher and in consultation with the appropriate Heads of Department. No course changes will be permitted after 30th September in the year of admission.

(ix) False evidence

Any false or deliberately misleading information given on the application form or in supporting papers, or any relevant information withheld, may lead to the withdrawal of a place, even after a student has started at the school.

(x) Information and Assistance

St Leonard's is committed to fairness and transparency in the way it operates its admissions procedures. Parents are invited to contact the school to discuss their situation and to obtain help in applying, especially if they are disabled or have difficulties of language or are not familiar with school admissions.

(xi) Information and Advice Meeting

As part of the application process all applicants are required to attend an 'Information and Advice Meeting'. The purpose of the meeting is to discuss with each applicant academic success to date and assist in the determination of future courses. These meetings will be arranged following receipt of applications and are scheduled to take place following the GCSE results.

(xii) Pupil Admission Number

Any student currently on roll at St Leonard's (Year 11 in the academic year 2018-19) is eligible for a place in the Sixth Form providing they meet the entry requirements. For September 2019 St Leonard's Sixth Form has 40 places available for external candidates who meet the entry requirements. In the event of the Sixth Form being oversubscribed or meeting capacity, the oversubscription criteria (see section 1 iv) will be applied.

(xiii) Capacity

The Sixth Form capacity is 340 students. The maximum number of Year 12 students admitted for any given year is determined by the number of Year 13 students in that academic year.

This includes the wearing of the uniform, courtesy shown towards others, attendance, punctuality and a positive attitude to studies and the wider life of the school.
