Students with an Education, Health and Care plan or a statement of Special Educational Need: Students who have an Education, Health and Care (EHC) plan or a statement of Special Educational Need where the school is named and agreed to be the most appropriate educational setting for the student, will be admitted.

Admission of Students outside their Normal Age Group: A request may be made for a student to be admitted outside of their normal age group, for example, if the student is ‘More Able’ or has experienced problems such as ill health.

Any such request should be made in writing to the Head Teacher. The Governing Body will make its decision about the request based on the circumstances of each case and in the best interests of the student. In addition to taking into account the

³ A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). An adoption order is an order made under Section 46 of the Adoption and Children Act 2002. A ‘child arrangements order’ is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by s.14 of the Children and Families Act 2014. A special guardianship order is an order appointing one or more individuals to be a child’s special guardian or guardians (Section 14A Children Act 1989).

⁴ Students who have been baptised as Catholics or have been formally received into the Catholic Church. All applicants seeking admission under criteria iii. will be asked to provide evidence that they have been baptised as a Catholic or have been received into the Catholic Church. A baptismal certificate or a letter from their priest confirming their baptism or reception into the Catholic Church will suffice. Catholics include Latin Rite Catholics (Roman Catholics) and Oriental Rite Catholics in communion with the See of Rome: the Maronite and Italo-Albanian Catholic Churches; the Chaldean and Syro-Malabar Catholic Churches; the Armenian, Coptic, Syrian and Syro-Makankara Catholic Churches, the Melkite, Ukrainian, Ruthenian and Romanian Catholic Churches, the Greek Catholic Church, the Byzantine Catholics in former Yugoslavia, the Bulgarian, Slovak and Hungarian Catholic Churches and the Eastern Catholic Communities (Russian, Belarussian, Georgian and Albanian) without hierarchies.

⁵ Definition of Sibling: Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

views of the Head Teacher who has statutory responsibility for the internal organisation, management and control of the school. The Governing Body will take into account the views of the parents and of appropriate medical and education professionals. Students admitted to the Sixth Form outside of their normal age group are required to meet the relevant entry requirements for their proposed programme of study.

We will not offer places to current St Leonard's students or external applicants who fail to meet the entry requirements and for whom no reasonable programme of study can be arranged.

Tie breaker: Where there are places available for some, but not all applicants within a particular criterion, distance from home address to the school entrance will be the deciding factor. In assessing home to school distance the LA measures by the shortest walking route. Routes are measured from the centre point* of the child's house, or in the case of a flat from the centre point* of the building, to the nearest school site entrance. A Geographic Information System (GIS) is used to identify and measure the shortest walking route. The GIS identifies routes on the Ordnance Survey Integrated Transport Network (ITN) and Urban Paths Network (UPN), which are national recognised datasets. The LA will not include any other routes. In all cases the GIS identifies the route to be measured by connecting in a straight line the centre point⁶ of the child's house to the closest point on the nearest route on the ITN/UPN. In the event of distances being the equal for two or more students where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Any student failing to achieve at least a grade 4 in GCSE English and/or Mathematics will be required to undertake a re-sit course in Year 12.

For any student who has been refused admission due to oversubscription in the Sixth Form or on a particular course, a waiting list is available until 31 December 2020 where priority will be given according to the above criteria based on the information provided at the time of application.

Further enquiries should be directed to the Head of Sixth Form. A Sixth Form prospectus is available.

Students who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

⁶ In accordance with the co-ordinates of the Basic Land and Property Unit on the National Land and Property Gazetteer.

2. OPEN EVENING

The annual Sixth Form Opening Evening gives both internal and external students the opportunity to discover more about the Sixth Form. This year because of COVID 19 the Open Evening will be a virtual event. All videos will be available from Thursday 15th October on the school website. This evening is comprised of a short introductory presentation from the Head Teacher, and the Head of Sixth Form as well as an opportunity to meet departmental staff.

3. APPLICATION PROCESS

The formal application process begins following the Sixth Form Open Evening.

(i) The Application Form

All applicants are required to complete the Sixth Form Application Form and return it to:

Sixth Form Administrator
St Leonard's Catholic School
North End
Durham
DH1 4NG

(ii) Academic Information

On receiving the application form, from an external applicant, St Leonard's will seek a reference from the school currently attended. The purpose of this reference is to gain information regarding the applicant's attendance, work rate and capability to cope with the intended course of study. Information will also be sought from Heads of Department and Heads of Sixth Form for internal applicants. Please note that this is for information only.

(iii) Acknowledging Receipt of Application

Receipt of applications will only be acknowledged if accompanied by a stamped, addressed envelope.

(iv) Important Deadlines

Deadline for receipt of internal applications: Friday 6th November 2020

Deadline for receipt of external applications: Friday 6th November 2020

(v) Late applications

Late applications will be considered by the Governors and included in the admissions procedure at the point when they are received. Each individual case will be considered by the Deputy Head Teacher in consultation with the Head Teacher. No application submitted after the submission deadline (Friday 6th November 2020) can be guaranteed a place in Year 12 for that year of application. Course changes are only permitted at the discretion of the Head of Year in consultation with the Deputy Head Teacher and in consultation with the appropriate Heads of Department. No course changes will be permitted after 30th September in the year of admission.

(vi) The honesty of the application

Any false or deliberately misleading information given on the application form or in supporting papers, or any relevant information withheld, may lead to the withdrawal of a place, even after a student has started at the school.

(vii) Information and Assistance

St Leonard's is committed to fairness and transparency in the way it operates its admissions procedures. Parents are invited to contact the school to discuss their situation and to obtain help in applying, especially if they are disabled or have difficulties of language or are not familiar with school admissions.

(viii) Information and Advice Meeting

As part of the application process all applicants are required to attend an 'Information and Advice Meeting'. The purpose of the meeting is to discuss with each applicant academic success to date and assist in the determination of future courses. These meetings will be arranged following receipt of applications and are scheduled to take place following the GCSE results.

(ix) Special Circumstances

Special circumstances include educational, medical, social and compassionate reasons as to why the application of the student should be considered differently. Consideration may be given to the entry requirements or the expected/required programme of study.

Applications for special consideration are considered on a case by case basis.

The Governing Body will not offer places to current St Leonard's students or external applicants for whom no reasonable programme of study can be arranged.

Any student who wishes to make an application under special circumstances must include at least one letter from a relevant professional (such as social worker, doctor, priest) which sets out the evidence in support of the application to be considered.

The application will need to demonstrate why a place specifically at St Leonard's Sixth Form, or on a specific course, is in the student's best interest. The Governors will weigh each application on its individual merits, considering all and only the evidence submitted to them, also taking into consideration the ability of the school to meet the individual's needs and the overall balance of the school population. On the basis of the case presented to them, the Governors will decide whether or not an application is eligible for admission under special circumstances.

Special circumstances applications should, where possible, be made in advance of, rather than in response to, the publication of examination results. If special consideration has already been made to and accepted by the examination boards the Governing Body reserves the right not to reconsider these circumstances.

In the event of a Special Circumstances Application being turned down by the Governors, the applicant has a right of appeal. Any appeal must be made in writing.

(x) Pupil Admission Number

Any student currently on roll at St Leonard's (Year 11 in the academic year 2020-2021) is eligible for a place in the Sixth Form providing they meet the

entry requirements. For September 2021 St Leonard's Sixth Form has 40 places available for external candidates who meet the entry requirements. In the event of the Sixth Form being oversubscribed or meeting capacity, the oversubscription criteria (see section Iiv) will be applied.

(xi) Capacity

The Sixth Form capacity is 340 students. The maximum number of Year 12 students admitted for any given year is determined by the number of Year 13 students in that academic year.

This includes the wearing of the uniform, courtesy shown towards others, attendance, punctuality and a positive attitude to studies and the wider life of the school.
