

Food: Year 11 Mock 1 2021

Being Organised

- All students have received a hard copy of a focussed revision checklist that is to be thought of as a working document to help organise revision.
- Pupils have been given a CGP revision guide and work booklet that should be brought along to every lesson.
- Students have access to all revision power points via TEAMS.
- All students have been given a number of past papers and mark schemes which they have completed for homework.
- All students have a work file with a number of information and work booklets in.

Independent Revision

Students should be cooking at home on a regular basis. They can use the white work booklet to answer questions on functions of ingredients, food safety etc.
