

## **HSC: Year 11 Mock 1 2021**

### **Being Organised**

All pupils have been issued with a Component 3 revision guide. Students have exercise books and folders for revision and a file. For each lesson students should have their exercise books and folders. Pupils should organise their files using file dividers to separate their work (Component 1, 2 and 3)

### **Independent Revision**

In addition to homework tasks pupils can use their revision guides and booklets to highlight key words and to create revision mind maps. Revision cards should also be used during independent revision time using the question cards. The questions are coloured so pupils know which way up they should go. On the reverse side, is the answers for pupils to check, once pupils have completed the cards task. Pupils can write their answers down on a piece of paper, before turning over the reverse side to check it.
